

Leave the NJ "do not call list" law alone. I don't want to be bothered by someone that is rude and can't understand the word NO. I've already stated that I don't want to be bothered by theses calls. I pay for the security of a phone and don't want it to be used as a bothersome item. Have them mail their stuff out and maybe it will bail out the USPS, but leave my phone alone. You should allow for the law to stay as written. Thank you
